PLAINTIFFS' RESPONSE TO REPLY BRIEF OF  
DEFENDANTS' MOTION TO DISMISS  
FILED ON FEBRUARY 20, 2001

MARY E. D'ANDREA, CLERK  
Per ph DEPUTY CLERK

Defendants filed a reply brief on February 20, 2001, in the instant case. This brief seems to be a response to Plaintiff's "Reply Brief of Plaintiff Opposing Defendant's Motion to Dismiss." Your Plaintiff makes this very short answer to that filing so as not to hold a ruling on the matter from being handed down at the Court's earliest possible date. Plaintiff is seeking emergency preliminary injunctive relief, and, although Plaintiff could make substantive argument against Defendant's stand, it would only serve to delay the injunctive relief prayed in these pleadings and would be repetitive, causing the light on the underlying medical issues to fade into obscurity.

WHEREFORE, Plaintiff prays this Court to DENY Defendant's Motion to Dismiss; GRANT Plaintiff's Motion for Appointment of Counsel; GRANT Plaintiff's preliminary injunctive relief for the "restart" of his medicinal regimen; GRANT Appointment of Expert Medical Witness; and all other relief prayed by Plaintiff in his pleadings, as well as any other and further relief that this Honorable Court deems just, proper, and appropriate under the circumstances.

Respectfully submitted,

Robert Leon Buckner,

Plaintiff, pro se
